2. OWNERSHIP:

This license is not a sale of the Software; it is a license to use the Software under the terms of this License Agreement.

3. USE:

The Software is licensed to End Users for a particular use, depending on the particular license that is designated on order and described in this Section.

This Software License does not authorize the use of the Software at any offices related to that single organizational unit but not located at the same geographic location, even if the Software is stored on a portable computer. If you have any questions as to the validity of your End User License, contact McTrans. The End User may use the Software directly on the computer that has been installed. The end User may not use the Software remotely via any technology, such as a remote desktop (see section 4). The responsibility for ensuring this protection of the Software rests with the End User. Multiple laboratories require multiple licenses. The Software may not be installed or used on any computer outside of the licensed laboratory under the Academic License, including (but not

limited to) any office, home, networked, or portable computer. If you have any questions as to the type or validity of your End User License, contact McTrans. The Software is not designed for network use, and such use is not supported. McTrans is not able to provide technical support for issues resulting from network incompatibilities.

6. COPY RESTRICTIONS:

Unauthorized copying, distribution, or dissemination of the Software is expressly prohibited. End User may be held legally responsible for any copyright infringement that is caused, encouraged, or enabled by failure to abide by the terms of this license. Subject to these restrictions, the End User may make copies of the Software for backup purposes and for use of the Software on any computers located within its office complex, as described in paragraph 3. Under no circumstances may the Software or associated printed documentation be copied for sale, distribution, or dissemination, except as provided in paragraph 3, without the express, written consent of McTrans. End User may not transfer, assign, rent, lease, sell, or otherwise dispose of the Software except as expressly provided in this License Agreement.

8. REGISTRATION AND SUPPORT:

This license is automatically registered to the person or entity that purchased it. If the End User wishes to change the registration, he or she must provide in writing the registration information. McTrans may, from time to time, revise or update the Software to correct bugs or add minor improvements. McTrans will supply, at its discretion, minor updates to the End User without additional charge and will provide reasonable telephone or email support to the End User during the normal business hours of McTrans for the period for which the End User pays the subscription fee established by McTrans. End User shall not be entitled to receive such separate products without additional charge. Upon release of any such revised version of the Software, the obligation to provide the above-described technical support services to the End User shall cease unless the End User chooses to pay to license the enhanced version of the Software, whether or not the End User has previously requested or received support on the prior version.

9. LIMITED WARRANTY AND LIMITATIONS OF REMEDIES:

End User agrees that it is the responsibility of End User to understand fully the limitations of and assumptions underlying the Software and not to make use of the Software without the assistance of personnel with appropriate expertise. The End User accepts all responsibility for the program output's review, interpretation, application, and use and accepts all responsibility for ensuring that the output meets any applicable design code, standard, or project specification provisions.

Except as provided above, the product is provided "AS IS" without warranty of any kind, either expressed or implied, including, but not limited to, implied warranties of merchantability and fitness for a particular purpose. McTrans does not warrant that the functions contained in the Software will meet the End User's requirements or that the operation of the Software will be uninterrupted or error-free. The entire risk as to the quality and performance of the product is with the End User. In no event will McTrans be liable to the End User for any damages, including any lost profits, lost savings, or other incidental or consequential damages arising out of the use of or inability to use the Software, even if McTrans has been advised of the possibility of such damages, or for any claim by any other party. The above warranty gives the End User specific legal rights, and the End User may also have other rights in the United States, which vary from state to state. Use of the Software where the End User believes or has reason to believe that damage may occur is a violation of any and all warranties. McTrans has no knowledge of the hardware or Software configurations of the End User and assumes no liability for their damage.
